

MANICIPALITY TAX MANUAL

THE TAX BILL

Did you receive this letter? Than the municipality want you to pay a tax for your waste. However, a lot of students can get a remission.

WHAT IS IT?

AFVALSTOFFENHEFFING (WASTE TAX)

This tax is paid for the picking up and disposing of garbage.

For people who live with shared facilities this tax is included in the service costs and therefore payed by for example Idealis or your landlord.

People who have own facilities have to pay the tax themselves and receive a bill for this. There are different fees for people who live alone in their room/apartment and people who live with more than two or more people in the room/ apartment.

One person household: € 161,73 per year

Multiple persons household: € 251,57 per year

RIOOLHEFFING (SEWER TAX)

For people who live with shared facilities this tax is included in the service costs and therefore payed by for example Idealis or your landlord.

People who have own facilities have to pay the tax themselves and receive a bill for this. There are different fees for people who live alone in their room/apartment and people who live with multiple people in the apartment.

One person	€ 122,84 per year
Two persons	€ 147,34 per year
